

## WE NEED A NEW "HOME"

The "HOME" our 24 children live in (ages from 4 to 63 yrs) was built by our Father in the 1940's and has sheltered over a thousand physically and/or mentally challenged children for over 60 years. The entire structure is beyond repair. The home originally built for seven was added onto numerous times to help families in need. The time has come when we must recognize our responsibility to assure these and other children a safe and comfortable future and provide them with a "HOME" that fills their needs.

Our home consists of children from various ethnic groups who have various handicaps and needs. We invite you to visit and feel the compassion and appreciation exemplified from each child. We feel sure you will go away with a true meaning of how important you can be in their lives, as well as a spiritual uplifting that will stay with you forever. We are asking for your generous financial support to make this new "HOME" possible.

Please take a moment and read about our home on this site and help our dream become a reality. The Russell Home for Atypical Children is a 501(c) (3) charitable organization: FIN#59-1051408

Please make all donations payable to The Russell Home or by calling us at 407-855-8063 and charging it to your Visa or MC. You may also make a secure donation through "PayPal" by visiting the Donation Link on our web site at <http://www.russellhome.org>
