

“OUR HOME NEEDS REMODELING”

The “Home” our 25 special needs children (ages 5 to 64) live in was built by our father in the 40’s and has sheltered over a thousand such children, some now adults, for over 60 years. There were 7 children in our family and when our mother was asked to help a family with a 3 year old special needs child in 1949, that opened the door for many, many more over the years. Walls have been pushed out and rooms added to meet the growing need, but now the entire structure needs repair; from wiring & plumbing to kitchen, bedrooms & baths, as well.

We have seen God’s work first hand in our home and we feel we are on sacred ground as well as this is “Home” to the children and change is difficult for them. We invite you to visit and feel the compassion and appreciation exemplified from each child. We feel sure you will go away with a spiritual uplifting that will stay with you forever.

Please take a moment and read about our home on this site and help our dream of a remodeled and updated home become a reality. The Russell Home for Atypical Children is a 501(c) (3) charitable organization: FIN#59-1051408

We are asking for your financial support to make this remodeling project possible. This is a need, not a want. Please make donations payable directly to the Russell Home or by Visa, MasterCard, American Express or PayPal by visiting the donation link on our web site at <http://www.russellhome.org>.

Sincerely,
